**Alexander movie subtitle**

Best streaming sites 6 wins and 19 nominations. See more awards » More Edit conquering ninety percent of the world known until the age of twenty-five, Alexander the Great (Colin Farrell) led his armies through twenty-two thousand miles of siege and conquest in just eight years. Coming out of tiny Macedonia, Alexander led his forces against the powerful Persian Empire, drove to Egypt in the West, and finally made his way east to India. This movie focuses on those eight years of battle, as well as his relationship with his boyhood friend and fight friend, Hephaistion (Jared Leto). Alexander died, of illness, at the age of thirty-two. Alexander's conquest paved the way for the spread of Greek culture (facilitating the spread of Christianity centuries later), and removed many obstacles that could prevent the expansion of the Roman Empire. In other words, the world we know today if Alexander may not have been the ripper, yet unified, for conquest. written by austin4577@aol.com plot summary. Plot Summary Greek . Ancient Greece. Gay. See all certifications » Parents Guide: View Content Advisors » Edit near the end of this film, Ptolemy (Sir Anthony Hopkins) mentions that one of the influential generals in the east of Asia was Alexander (Colin Farrell) Seleucus after death. Although she barely mentioned in this film, Seleucus and Alexander for her dynasty will have to take almost all of the Asian territories. See more » After being injured in the fight against the Indian king, Alexander is taken to the hillside. First his sword is lying on his chest, then under his shoulder. See more »[First Lines] Old Ptolemy: Our world is now gone. Broke by wars. Now I am the protector of his body, embalmed here in Egyptian ways. I followed him as pharaoh, and have now ruled 40 years. I'm the victor. But what does it mean when there is a no save to remember – the great cavalry charge in Gagamela, or the mountains of Hindu Kush when we crossed the army of a 100,000 man in India? He was a god, Cadmos. Or as close as anything I've ever seen. See more » A third cut of the film was released in 2007 under the title Alexander Again: The Final Cut.
